

Birch Drive Rules and Regulations

Birch Drive is located at the south end of Birch Drive.

Residents within the City may use the Birch Drive brush site to drop off yard waste, grass clippings and tree branches as long as the branches are no greater than 6" in diameter.

Anyone who provides lawn care services for a fee is allowed to use the brush site to dispose of grass clippings and chipped material only.

Anyone who provides tree care services for a fee is restricted from using the site, except to dispose of grass clippings.

The site is open 24 hours a day, 7 days a week and is monitored by cameras. Anyone caught illegally dumping will be prosecuted.
