Narrative

Unit 1 was stopped at the crosswalk in front of Walmart and she began driving south through the crosswalk when she struck a pedestrian that was walking east to go into the Walmart store. Unit 1 drove over the pedestrian's foot and caused him to fall to the ground. The ambulance was called to check the pedestrian; he was checked out and refused transportation. While waiting for the ambulance the driver of vehicle 1 appeared disoriented and unsteady on her feet. She was very shook up and stated "I promise I'll never drive again" she also said that she very seldom drives but needed to get medication from Walmart. Unit 1 driver was also checked out and the paramedic recommended that she be re-examined for her driver license.
