**Narrative**

Unit 1 was northbound on N. Main St. pulling a flatbed trailer. As Unit 1 was making the curve in the middle of the bridge crossing the Maquoketa River, Unit 2 was traveling southbound across the Maquoketa River. Unit 2 was also towing a small flatbed trailer. The trailer from Unit 2 came disconnected from the truck in the middle of the curve, crossed the center line and struck Unit 1 on the driver side rear, and tore the rear axle out from under the truck causing Unit 1 to become disabled.
